12

13

Memories made naturally.

14

11:00 AM – *Brach to the Future* – Discover brachiopods and other remains as we explore of the fossil beds. Learn about the 400 million-year history and its preservation for future visitors.

3:00 PM – *Corralling Corals* – We hunt down extinct corals and learn about the ancient sea that is preserved at the Falls of the Ohio.

19

11:00 AM – Poking on the Collecting Piles – Do you dig fossils and minerals? Bring a small shovel and we'll look for fossils and minerals in our collecting piles that you can take home.  
3:00 PM – *Stalking Crinoids* – Look for ancient sea lilies (animals related to star fish) and learn about the ancient sea that is preserved at the Falls of the Ohio.

20

June 20 – 8:30am to 11:00am ORSANCO River Sweep
